

# If you have an accident, will it hurt your bank account too?

Unum's voluntary accident insurance gives you something to fall back on.

## Life can take a tumble.

With a full-time job and three rambunctious kids, Marsha's a busy woman. And as a single mom, she's also thrifty. So if her kids break something other than a window, she doesn't want an injury to break her bank account as well.

## Benefits that pay for covered accidents while you are on the road to recovery

Unum's coverage provides a lump sum benefit based on the type of injury (or covered incident) you sustain or the type of treatment you need.

### Examples of covered injuries include:

- broken bones
- burns
- torn ligaments
- concussion
- eye injuries
- ruptured discs
- cuts repaired by stitches

### Some covered expenses include:

- emergency room treatment
- doctor office visit
- hospitalization
- physical therapy

See schedule of benefits for full list of covered injuries and expenses.

## Who's at risk?

Your accident insurance plan can provide benefits for covered accidents that occur off the job and may include coverage for on-the-job accidents,<sup>3</sup> depending on the plan chosen by your employer. Accident insurance is offered to all eligible employees ages 17 to 80<sup>4</sup> who are actively at work. You decide if it's right for you and your family.

### Five reasons to buy this coverage at work

- 4. Your base coverage is guaranteed renewable for life.
- 5. Premiums are conveniently deducted from your paycheck.
